● GlycoScience & Nutrition: Product-Specific Studies

1. Use of Calcium Channel Blocker and Glyconutrients to Treat FSH Muscular Dystrophy
2. The Effect of Glyconutritional Supplementation on Toddlers with Failure to Thrive
3. Effect of Glyconutritionals on Oxidative Stress in Human Subjects: A Pilot Study

● References: Product-Specific

Chemistry

4. Garriott JC. Analysis of Mannatech samples for testosterone. . . 2000 Mar 22

In Vitro

5. Barhouni R, Burghardt RG, Busbee DL, McDaniel R. Enhancement of glutathione levels and protection from chemically initiated glutathione depletion in rat liver cells by glyconutritionals. *Proc Fisher Inst Med Res.* 197; 1: 12 - 16
6. Lefkowitz SS, Lefkowitz DL. Macrophage candidicidal activity of a complete glyconutritional formulation versus alloe polymannose. *Proc Fisher Inst Med Res.* 1999; 1: 5 - 7
7. Busbee D, Barhouni R, Burghardt RC, Gaunt C, McAnalley B, McDaniel HR. Protection from glutathione depletion by a glyconutritional mixture of saccharides. *Age.* 1999; 22: 159 - 165

Animal

8. Gauntt C, Busbee D, Wood HJ, Reyna S, Barhouni R, Burghardt R, McAnalley BH, McDaniel HR. A glyconutritional mixture (Ambrotose) provides some amelioration to mice with

- HR., A glyconutritional mixture (Ambrotose) provides some amelioration to mice with coxsackievirus-induced pancreatitis. *Age*. 1999; 22:: 149 - 158
9. Campbell BD, Busbee DL, McDaniel HR., Enhancement of immune function in rodents using a proprietary complex mixture of glyconutritional. *Proc Fisher Inst Med Res*. 1997 Nov; 1: 34 - 37

Human, Observational: Case Report

10. McKinley RN., Case report: the effect of dietary supplements on periodontal disease. *J Am Nutraceutical Assoc*. 1997; Supplement No. 1: Glyconutritional Symposium in cooperation with the Texas A&M University System Baylor College of Dentistry in Dallas. Tx: 21 - 24
11. McKinley RN., Case report: effects of nutritional supplementation on benign mucous membrane Pemphigus (Cicatricial Pemphigoid). *J Am Nutraceutical Assoc*. 1997; Supplement No. 1: Glyconutritional Symposium in cooperation with the Texas A&M University System Baylor College of Dentistry in Dallas. Tx: 19 - 20
12. Walton BE., Case report: Hepatitis C- changes in serum liver enzymes after dietary supplementation. *J Am Nutraceutical Assoc*. 1997; Supplement No. 1: Glyconutritional Symposium in cooperation with the Texas A&M University System Baylor College of Dentistry in Dallas. Tx: 15 - 16
13. Benton DJ., Case report: observed improvements in developmental dyslexia accompanied by supplementation with glyconutritional and phytonutritional. *J Am Nutraceutical Assoc*. 1997; Supplement No. 1: Glyconutritional symposium in cooperation with the Texas A&M University System Baylor College of Dentistry in Dallas, Texas: 13 - 14
14. Purcell BS., Case report: observed improvements in respiratory air flow in asthmatics following dietary supplementation. *Journal of the American Nutraceutical Association*. 997 Aug 1; Supplement No. 1: 24 - 25
15. Arcadi VC, Dykman KD., Case report: Tay Sachs disease improvements during nutritional supplementation. *J Am Nutraceutical Assoc*. 1997 Aug; Supplement No. 1: Glyconutritional Symposium in cooperation with the Texas A&M University System Baylor College of Dentistry in Dallas. Tx: 26 - 27
16. McDaniel CF, Stevens EW., Nutraceuticals decrease blood glucose and pain in an individual with non-insulin dependent diabetes and myofascial pain syndrome: a case report. *Proc Fisher Inst Med Res*. 1997; 1: 30 - 31
17. McKinley RN., The effect of dietary supplements on Herpes labialis. *J Am Nutraceutical Assoc*. 1997; Supplement No. 1: Glyconutritional Symposium in cooperation with the Texas A&M University System Baylor College of Dentistry in Dallas. Tx: 16 - 19
18. McKinley RN., The effects of dietary supplements on recurrent aphthous stomatitis. *J Am Nutraceutical Assoc*. 1997; Supplement 1: Glyconutritional symposium in cooperation with the Texas A&M University System Baylor College of Dentistry in Dallas, TX: 11 - 12

Human, Observational: Retrospective and Prospective Studies

19. Dykman KD, Tone CA, Dykman RA., Analysis of retrospective survey on the effects of nutritional supplements on chronic fatigue syndrome and/or fibromyalgia. *J Am*

- nutritional supplements on chronic fatigue syndrome and/or fibromyalgia. *J Am Nutraceutical Assoc.* 1997 Aug; Supplement No. 1: Glyconitronal Symposium in cooperation with the Texas A&M University System Baylor College of Dentistry in Dallas. Tx: 28 - 31
20. Ganapini K. Dietary supplements improve many symptoms of asthma and decrease the need for other medications: a retrospective study. *J Am Nutraceutical Assoc.* 1997; Supplement No. 1: Glyconitronal Symposium in cooperation with the Texas A&M University System Baylor College of Dentistry in Dallas. Tx: 32 - 35
